GROWERS AND COLLECTORS OF

FOREST AND SHADE TREES  
AND ORNAMENTAL SHRUBS

Rt. 2, McMINNVILLE, TENNESSEE

SPRING OF 1919

---

## TERMS OF SALE

**ORDERS**—Write plainly and give explicit directions as to address and mode of shipment; otherwise we will forward according to our best judgment. All goods travel at purchaser's risk. We assume no responsibility for the goods after delivery to the forwarding companies.

When losses occur by delays in delivery, claims should be made at once on the forwarding companies.

**CLAIMS**, to receive consideration, must be made within ten (10) days of receipt of goods.

**GUARANTEE**—We are very careful to keep each variety true to name as labeled, and are ready at any time to replace, on proper proof, any that may prove otherwise, free of charge, or refund the amount paid, but it is mutually agreed between the purchaser and ourselves that we shall at no time be liable for an amount larger than the original purchase price.

**TERMS, CASH WITH ORDERS**, except to such persons as satisfy us as to their responsibility. All bills are due 60 days after date. Interest will be charged at the rate of six per cent on bills unpaid December 1 in fall and June 1 in spring.

A Certificate of Inspection will accompany each shipment.

We are glad to have those interested visit our nurseries at any time. McMinnville is on the Sparta branch of the N. C. & St. L. Railroad. We are 8½ miles from town. Will meet visitors at station if notified.

Trees and Shrubs—500 at 1,000 rate, 5,000 at 10,000 rate.

Boxes and bales will be charged for at cost.

## ALTHEA, or Rose of Sharon.

These are grand flowering shrubs. There is a wide range of color, and not a day from the middle of July until September—a time when so few other shrubs are in bloom—that Altheas are not aglow with flowers. They have no insect enemies, grow well anywhere, are splendidly suited for shrubbery borders, for colony plantings and hedges. The planter who uses them freely makes no mistake.

	Doz.	100	1 M	10 M
Altheas from cuttings. All varieties named below in sizes and prices as follows:	6 to 12 in.	25	1 00	8 00

## HARDWOOD CUTTINGS

We make a speciality of Hardwood Cuttings, having about 25 acres planted especially for cuttings, and all cuttings will be cut with care as to condition and genuineness of stock. Orders for large lots should be placed early, and we will make special prices on large lots.
